Der Seelöwe lächelte besonnen:
„Ihr beide habt es reichlich begonnen!
Ich rufe meinen Freund geschwind,
der dieses Drama zu einem Ende bringt.“
Da kroch vor ihren Augen ein Sandwurm empor
und rief große Verwunderung hervor.
„Hallo, mein kleiner Freund“, rief der Seelöwe bereit,
„wir brauchen Deine Hilfe, es ist höchste Zeit.
Unser Freund, der Wai, liegt gestrandet im Sand,
er gehört ins Wasser und nicht an Land.“

The sea lion calmly smiled,
"Both of you do not have enough might.
Let me call my friend,
who will bring this drama to an end!"
To their surprise,
a small sandworm popped up in front of their eyes.
"Hello, my little friend," the sea lion greeted the tiny creature.
"We need your help for this special feat we,
Our friend the whale is out of his nature,
can you help him get out of this danger?"
